

Could you Move Like Michael?

The BBC are launching a nationwide search for the person or group who can best embody the spirit of Michael Jackson – his moves, his style, his charisma and his sheer power to entertain. From builders to ballet dancers, teachers to tap dancers – we want to hear from you for an exciting new competition on BBC3.

Any type of dancers are welcome to apply as long as you can convince us that your dancing has been influenced by the legend himself. Whether you are a line dancer with a bit of showmanship, a break dancer who can moonwalk or you have created your own dance moves in front of the mirror we want to hear from you.

Whatever your dance style, if Michael's inspired you, get in touch!

Anyone over 16 can apply, and auditions will be held around the country in October. There will then be a series of exciting studio shows where you could perform in front of an expert panel and win a fantastic prize.
